

General Transfer

Associate in Arts—Direct Transfer Agreement (AA—DTA) Planning Guide 2011–2012

The AA—DTA, known as the direct transfer degree, is an agreement between Washington State community colleges and baccalaureate institutions. The AA—DTA transfers as a package to most baccalaureate colleges in Washington, satisfying most, if not all, of the lower division general education requirements. The AA-DTA requires 90 quarter credits in college-level courses numbered 100 or above with a cumulative GPA of 2.0 or higher. **See the reverse side for a complete listing of courses that fulfill the general education and distribution requirements.**

Recommendation/Remarks:

Within the AA-DTA degree requirements, students are encouraged to take courses in preparation for an academic major. The AA-DTA does not automatically meet university admissions requirements. We strongly recommend students consult with their advisor regarding university admission, graduation and major program requirements.

Many colleges require two years of a world language in high school or one year in college to graduate.

The UW requires two years of the same world language in high school or two quarters in college for admissions. In addition, UW-Seattle requires the third year in high school or the third quarter of a language in college with a 2.0 to graduate. Non-native speakers of English are exempt from world language requirements.

Shoreline Community College Planning Guide | Course List

The following is a list of classes that satisfy Shoreline's 2011-2012 AA-DTA degree requirements. Credits for a specific course may be used only once and may not be applied toward more than one distribution area. Course numbers with an "&" are common course numbers that are consistent across all Washington state community colleges. *To graduate from SCC, complete the Application for Degree and turn it in to the cashier (2nd floor FOSS-5000 Bldg.) along with the \$20.00 application fee no later than the quarter before you plan to graduate.*

III. GENERAL ELECTIVES | 25 CR

A minimum of 25 additional college-level credits numbered 100 or above is required for electives. Developmental courses and courses numbered below 100 may not be used. Electives may include any course listed in the distribution areas or in the Elective Courses section of the 2011-12 catalog. A maximum of 15 credits from the Restricted Electives course list of the catalog may be included.

Notice: Planning guides are intended to guide students toward completing degree requirements. They are not intended to communicate admissions requirements of 4-year institutions. Students are strongly urged to consult with an advisor, college/university admissions staff, and the catalog of the 4-year institution to which they plan to transfer. Other conditions and restrictions may also apply.
